GOVERNMENT OF MADRAS

***

Copy of Endt. No. 3/B1/52 dated 16th October 1952 from the Chief Inspector of Certified Schools and Vigilance Service to the Secretary to the Government of Madras, Home Department.

Submitted to the Secretary to Government, Home Department for favourable consideration.

2. In this connection, a reference is invited to para 1 of this office letter No. 7/B1/51 dated 3rd October 1952 in which the Government have again been requested to reconsider the case of three upper division clerks acting (since 1949) as Headmaster's Assistants, for regular selection. The petitioner is one of the three.

Copy of petition dated 13th October 1952 from Sri P. Dakshinamurty Sastry, Acting Headmaster's Assistant, (Administrative), Government Junior Certified School, Bellary to the Secretary to Government, Home Department, Madras.

Sir,

I, P. Dakshinamurty Sastry humbly submit the following for favour of consideration of Government and issue of orders.

2. I was selected by the Madras Public Service Commission in 1943 to the Madras Ministerial Service in Jail Department. I was appointed to the post of Headmaster's Assistant on 16-11-49.

3. In 1947 the Certified Schools were bifurcated from Jail Department. Consequently several new schemes were introduced in regard to administration as well as appointment of staff members. A second post of Headmaster's Assistant was created only under this new scheme. It was proposed in the rules framed for the Certified Schools that appointment to the post of Headmaster's Assistant (Administrative) has to be made from the category of Upper Division Clerks in the Certified Schools and to the post of Headmaster's Assistant (Character Training) from the category of Secondary Grade Teachers. This was done to encourage the clerical establishment in this department as there is no other prospects for them in this Department. I was an upper division clerk in 1949 and so I was promoted to this post.

4. The post of Headmaster's Assistant (Admn) is purely identical to the post of a Jailor in Jails in respect of nature of duties and responsibilities. The post of Jailor is also filled by candidates coming from the category of upper division clerks from the Madras Ministerial Service. But the Government did not approve the proposal of the Chief Inspector Certified Schools to appoint upper division clerks to the posts of Headmaster's Assistants (Administrative) - Vide amendments issued to service rules in G.O.Ms.No. 2513, Home, dated 12-7-1952. But the Government were kind enough to approve the appointment of Secondary Grade teache to the posts of Headmaster's Assistants.

5. The Chief Inspector of Certified School, Madras was very kind enough to take up the case of this poor lot of Headmaster's Assistants (Administrative) who have put in three and more years service and requested Government to exempt these existing incumbants at least from possessing the qualifications but due to our ill luck his sympathetic recommendations were turned down. So I was informed that I will be reverted as and when the qualified candidates are appointed.

6. I may submit before the benign Government that I worked for nearly three years as Headmaster's Assistant losing higher emoluments in my substantive post only for the sake of

P.T.O.

status attached to the post and with a view to get better prospectus in future. I was nearly losing about Rs. 200/- per annum on account of remaining in the post of Headmaster's Assistant as shown below only for the sake of dignity and status, though in these daus losing so much amount by a non-gazetted employee is a hard and unimaginable affair.

Particulars	Pay and allowances entitled had I remained as Upper Division Clerk.	Pay drawn as Headmaster's Assistant (Administrative)	Nett loss.
	Rs.	Rs.	Rs.
Pay	95	90	
Personal pay	..	5	
Special Pay	10	..	
Dearness allowance	24	24	
House rent -do-	9	..	
	138	119	
Deduct House rent for Govt. quarters	4	rent free	
	134	119	15

Further if I am reverted a day may come when I have to work under the present subordinates of mine as there is no further prospects efor upper division clerks in this Department.

7. In view of the above I humbly request the benign Government to sympathetically view my case and transfer me to Jail Department on the same scale of pay, as Deputy Jailor which is an equalant post to that of Headmaster's Assistant. The appointment to the post of Deputy Jailors are made from the category of upper division clerks also in the Jail Department. I possess the requisite physique and I passed all the tests required for the post.

8. If the above request cannot be conceded I request the benign Government to recognise my service as Headmaster's Assistant for nearly three years and appoint me as District Probation Officer in the Madras Jail Subordinate Service for which there is provision as per G.O.No.Ms. 2543, Home, dated 14-7-1952.

9. In the event of the above two just requests also stands unconceded, for any reasons, by the nenign Government I most humbly request that I may atleast be transferred back to Jail Department to which I was selected without prejudice to my substantive rank i.e. , as Upper Division Clerk as there is future prospects for clerks.

10. I request the favour of Government's sympathy in the matter and solicit favourable orders.

Thanking you,

Sir,

Petition dated 13-10-1952 requesting the benign Government to transfer me to Jail Department as Deputy Jailor or as District Probation Officer without prejudice to my status as Headmaster's Assistant

---:oOo:---

In the petition quoted above I submitted to the benign Government my entire case and requested that I may be transferred to Jail Department as Deputy Jailor and District Probation Officer. So far no orders are passed by the Government.

As per the recent orders of the Ghief Inspector of Certified Schools, Madras I stand for reversion as Upper Division Clerk after having put in three years three months service in the executive line as Headmaster's Assistant (Administrative). Even inspite of rigorous attempts of the Chief Inspector of Certified Schools, Madras to retain us the Government have mercilessly passed orders to the effect that we should be reverted. It is only on the approval of the benign Government the Chief Inspector of Certified Schools, Madras promoted the upper division clerks to the posts of Headmaster's Assistants (Administrative) and it is a pity the same Government is not considering our cases.

At least if I am sent to Jail Department in the same status I do not feel forthe unhappy thing in this department. I therefore most sincerely and respectfully request the benign Government to be so graciously pleased to pass early favourable orders on my petition dated 13-10-1952 so that my reversion may not actually effect. I request the Government to keep my reversion orders at least in abeyance till orders are passed by the Government.

Sir,

Sub: CHILDREN ACT - Certified Schools - Dakshinamurthy Sastry Sri P- Acting Headmaster's Assistant - Junior Certified School, Bellary - Appointment as Deputy Jailor or District Probation Officer, Grade II or reversion as Upper Division Clerk in the Jail Department - regarding.

Ref: 1. Government memo No.227459 Pri.II/52-1 dated 18-12-1952 to the Chief Inspector of Certified Schools and Vigilance Services, Madras, with a copy to this office.

2. My letter No.1605/B2/53 dated 5-2-1953 to the Chief Inspector of Certified Schools, Madras.

3. Government memo No.227459 Prisons II/52-3, dated 23-3-1953.

With reference to the Government ~~number~~ cited, I have to state that in 1943, when the population of the Central Jail, Bellary, was more than 900, one temporary additional clerk for the remission branch was sanctioned, vide G.O. No. Ms. 741, Home Department dated 1-4-1943. Sri P.Dakshinamurthy Sastry was entertained as acting lower division clerk in the Central Jail, Bellary, on 28-6-1943 in that temporary post. In 1944 the population of the Central Jail, Bellary, dropped to 676 and hence the temporary post of lower division clerk sanctioned in the G.O. referred to had to be abolished with effect from 1-5-1944. As a clerk senior to Sri P.Dakshinamurthy was on leave when the post was abolished, he continued in the Central Jail, Bellary, till 19-5-1944. As the Jails and Certified Schools in Bellary District were then one departmental unit for purposes of filling up of clerical posts of the Jail Department from among candidates selected by the Madras Public Service Commission, Sri P.Dakshinamurthy Sastri, on abolition of the temporary post and on the joining of the senior clerk who was on leave, had to be transferred to Junior Certified School, Bellary, since there was no vacancy in the Central Jail, Bellary, then. If the petitioner was not willing for a transfer to Junior Certified School, Bellary, his services would have been terminated. The petitioner was transferred to the Junior Certified School, Bellary on 20-5-1944, from which date he has been continuing in the Certified Schools Department. He was promoted regularly as upper division clerk on 22nd September 1947, in the Certified School, Bellary when he had barely four years of service to his credit, besides which he had intermittent promotions. He was confirmed as upper division clerk with effect from 1-10-1949 in the Junior Certified School, Bellary.

2. Had the petitioner continued in the Jail Department, his position would be an acting lower division clerk and he would have to wait for his promotion as upper division clerk for two or three more years. The petitioner has

(p.t.o.)

has 27 senior lower division clerks above him in the Jail Department and hence he will have to wait many years for confirmation as lower division clerk. In the Jail Department, persons entertained in 1940 are still acting as Lower Division Clerks, awaiting confirmation. Granting that the petitioner's seniority in this department in the category of upper division clerks is fixed with reference to the date of appointment as regular upper division clerk in the Certified Schools Department, even then he has 26 senior acting upper division clerks above him. The lower division clerks who were promoted as upper division clerks in 1944 are still awaiting confirmation as such. It is therefore clear that, had the petitioner remained in the Jail Department, he would not have got promoted as upper division clerk so early, not to speak of confirmation. Because the petitioner happened to continue in the Certified Schools Department, he got accelerated promotion and early confirmation.

3. In this connection, I am to state that the petitioner, though he gave his willingness to remain in the Jail Department in 1947, did not apply for reversion till 1951 but continued in the Certified Schools Department to enjoy to the fullest extent the benefits, such as, accelerated promotion and early confirmation. After getting himself confirmed as upper division clerk he submitted a petition in November 1951 requesting that he may be taken back to this department, when his 27 seniors are still acting as upper division clerks, in this Department. His request was rejected by me. If the petitioner had desired to come back to the Jail Department, he could have applied for reversion in 1947 itself. On the other hand, he continued in the Certified Schools Department and got himself confirmed as upper division clerk. The present service rules of the Certified Schools department do not permit the appointment of upper division clerks as Headmaster's Assistant. Because his appointment as Headmaster's Assistant is barred, he wants to get himself reverted to the Jail Department for further promotion and to better his prospects. In this connection, I am to add that the request of the Chief Inspector of the Certified Schools for relaxation of rules in favour of the petitioner for regularizing his services as Headmaster's Assistant was rejected by the Government in G.O. No. Ms.4321, Home Department dated 28-11-1952.

4. As the petitioner is a permanent upper division clerk, he has to be absorbed as such and this will adversely affect the senior acting upper division clerks of this Department. Further, there is no vacancy for upper division clerk and I will have to revert shortly the last three acting upper division clerks when the four upper division clerks who are now on leave, rejoin duty. The same is the case with regard to Deputy Jailors also and the three junior-most probationers are to be reverted when the Deputy Jailor who is now on leave, rejoins duty and when the training course for Jailors at Cuddalore is over. Hence, there is no vacancy either for upper division clerk or for Deputy Jailor in which the petitioner could be absorbed.

5. Recruitment of Probation Officers Grade II by transfer of service is allowed only from amongst the Headmasters Assistants of the Certified Schools Department, if they are suitable, and the minimum educational qualification prescribed is a Degree of a University. The petitioner was only an acting Headmaster's Assistant and he does not possess the prescribed qualification for the post of Probation Officer. He is therefore not eligible for appointment as Probation Officer Grade II.

(p.t.o.)

19

6.If the Government insist on taking back Sri P.Dakshinamoorthy Sastri, it will cause great hardship and discontentment among the subordinates of this Department who have been patiently waiting all these years for promotion and confirmation. Further, if the petitioner is taken back to this Department, as an exceptional case, similar requests are likely to be received from other upper division clerks of the Certified Schools Department. Therefore, no exception can be made in taking persons from other departments. In this connection, I may add for the information of the Government that one Sri M.Chinnayyan, acting upper division clerk, Senior Certified School, Chingleput, has also already submitted a petition to Government requesting that he may be taken back to the jail department.

7.In view of the difficulties explained above, I have to state that Sri P.Dakshinamoorthy Sastri could not be absorbed in this department in any of the capacities as requested by him.

Sir,

101672 13/5/53

In continuation of my petitions dated 13-10-1952 and and 16-2-1953 I submit the following for favour of issue of early orders.

In G.O.No.Ms.1414, Home Department dated 29th April 1953 the Government were pleased to order that fifteen percent of the vacancies in the posts of District Probation Officers, Grade II shall be filled by transfer from the category of Headmaster's Assistants. I worked as Headmaster's Assistant for THREE YEARS AND THREE MONTHS and I gained experience well. I passed the Accounts Test for Subordinate Officers Part I and Jails Tests Part I and II.

In view of the above I request the benign Government to transfer me as District Probation Officer Grade II and thus do me justice in the matter.

Yours faithfully,

Petition from Sri P. Dakshinamurthy Sastri, dated 12-5-1953.

***

In G.O.Ms.No. 4321, Home, dated 28-11-1952 the Govt. declined to accept the proposals of the C.I. of C.S. and V.S., Madras to relax the special rules in the Madras Jail Subordinate Service (now the Madras Certified Schools Subordinate Service) in favour of U.D. clerks in the Certified Schools who had been acting as temporary Asst. Headmasters

P.T.O.

in the Certified Schools to enable their appointment as Headmaster's Assistant on a regular basis. All U.D. clerks who have been appointed as Asst. Headmasters under emergency provisions were ordered to be replaced as soon as candidates selected by the M.P.S.C. become available or by Secondary Grade Teachers who are qualified and have been selected by the C.I. of C.S. and V.S, for these posts.

2. Sri P. Dakshinamurthy Sastri who is a permanent U.D. Clerk in the Certified Schools was appointed to act temporarily by the C.I. as Asst. Head master in the (junior) Certified School, Bellary. Consequent on the decision of the Govt. referred to in para 1 above, he was reverted to his substantive post of U.D. clerk hence to safeguard his interest, he has requested as follows:-

cf B / p17 /

✓ / pi n p21 /

(1) to transfer him to the Jail Department on the same scale of pay as Deputy Jailor which is an equivalent post to that of Asst. Headmaster in regard to scale of pay; or

para 7 p2 /

(2) if the above request cannot be conceded, to recognise his service as asst. Headmaster for 3 years and appoint him as D.P.O. in the Madras Jail Subordinate Service; or

para 8 p2 /

(3) in the event of the above two requests are not conceded he may be transferred back to the Jail Dept.

para 9 p2 /

3. Requests 1 and 3 - Transfer to Jail Dept. ~~as Deputy Jailor~~. The I.G. of Prisons in para 1 of his letter on pp. 17-19 c.f. has reported how the petitioner was first entertained as a temporary U.D. clerk in the Central Jail, Bellary for a period of (about) one year, how consequent to the abolition of the temporary post in 1944 his services were likely to be terminated but how he was retained in the leave vacancy of his senior clerk in that office and how in that year he was transferred to the

Junior Certified School; Bellary for want of vacancy in the Central Jail, Bellary. It was in the Junior Certified School, Bellary that he completed his probation, was promoted as an U.D. clerk in 1947, and confirmed in that cadre from 1-10-1949.

In para 2,e the I.G. has explained what the position of the petitioner would be if he had continued in the Jail Dept. and how he would not have received accelerated promotion and early confirmation as U.D. clerk and how U.D. clerks promoted in 1944 in the Jails are still awaiting confirmation.

In para 3, the I.G. has explained why his petition to the I.G. submitted in November 1951 for reversion to the Jail dept. was rejected.

The I.G. considers that because his appointment as Asst. Headmaster is barred, he wants to get himself reverted to the Jail dept. for further promotion and better his prospects. Under rules 2 and 6 of the Madras Jail Subordinate Service, members of the ministerial staff employed in the Jail department and possessing minimum general educational qualifications are eligible for appointment by transfer as Deputy Jailors and reserve Deputy Jailors, and they can seek promotion for higher posts in the Jail department.

The I.G. has stated that if the probationer is to be absorbed in the Jail dept. it will adversely affect the services of senior U.D. clerks of his Dept., that further there is no vacancy in the post of U.D. clerk as the last 3 U.D. clerks who are acting in leave vacancies will have to be reverted if the others who are on leave joins duty and that the same is the case with regard to Deputy Jailors. Hence there is no vacancy in either U.D. clerks or Deputy Jailors post to which the petitioner could be posted.

The I.G. has also stated that if the Govt.

insist on taking back Sri P. Dakshinamurthy Sastri it will cause great hardship and discontentment among the subordinates of his department who has been ~~patiently particularly~~ waiting all these years for promotion and confirmation and, if the petitioner is taken back in the Jail department as an exceptional case, similar requests are likely to be received from others U.D. clerks in the Certified Schools department and therefore he considers that no exception can be made in taking persons from other Departments. The Govt. have already turned down the petition of one Sri A. Chinnayyan, acting U.D. clerk in the Senior Certified School, Chingleput for his transfer to the Jail department.

(pp3 not put up)

It may be noted here that the X Branch, C.I.D. has reported that the petitioner has abused his position as acting Asst. Headmaster of Junior Certified School, Bellary and approached Sri Mohammed Ghouse (old contractor) prior to calling for tenders, and told him that he should be given a commission of Rs. 50/- and make a free supply of bread if he wished to become a permanent contractor to the school. Sri Mohammed Ghouse pleaded his inability. Thereafter when tenders were called for he was not informed of it, although tender notices were sent to as many as 51 persons. ~~Further it is ascertained~~ The tender of Basheer who is not a baker was accepted. Further it is ascertained that the petitioner borrowed an amount of Rs. 25/- from Mohammed Ghouse and failed to repay him. The contractor has issued a registered notice to the petitioner and he has filed a suit. This Department has proposed to take departmental action against the petitioner for the above misdeeds.
